APPLICANT ENHANCEMENTS

Country/State Code Update

- Grants.gov is updating the Country and State lists in relevant grant application forms
 - Prevent inconsistent Package Templates - Packages must have all forms using latest Country/State Codes or all forms using outdated Country/State Codes
- Beginning August 1, 2019, new form versions will start being available in the Training environment
- By April 30, 2020, all the new form versions with updated Country and State lists will be available in the Training environment
- On June 30, 2020, all the new form versions with updated Country and State lists will be available in the Production environment

Country/State Code Update Status

- Please review the Planned Country and State Lists Updates page for more information on the updated lists of countries and states and the full list of forms to be updated

<https://www.grants.gov/web/grants/forms/planned-country-and-state-lists.html>

- Track the in progress forms status on the Forms Status Report

<https://www.grants.gov/web/grants/forms/forms-status-report.html>
